Production of Meetings and Incentive Planners of South Africa

Background

South Africa National Convention Bureau (SANCB) is a one-stop solution for independent information and assistance, giving neutral advice on all aspects of hosting and organising any business event in South Africa. One of our key roles is to promote South Africa as a business events destination. The SANCB is the go-to organisation for meeting planners, as well as incentives and exhibition organisers. SANCB offers in-house support services, which include bidding support, site inspection, convention planning, delegate boosting and onsite services.

SANCB is also responsible for developing sales and marketing toolkits that can be used by our sales team and stakeholders to promote South Africa as a business event destination and bid for conferences and incentive trips to be hosted in South Africa.

Brief:

The SANCB requires a service provider that will assist in developing the Meetings Planners Brochures and Incentive Planners Brochures that will be used by the SANCB and its stakeholders to promote South Africa as premier business events destinations. The brochures will serve as an essential tool for meeting planners and incentive planners, highlighting the unique offerings and logistical advantages of hosting events in South Africa. Each province will have its own Meeting Planners brochure and Incentive Planners brochure. In total we will require 9 Meeting Planners and 9 Incentive Planners. The brochure design will involve blending aesthetics with informative content to entice and engage the audience.

The service provider will need to conduct research on each province in order for them to be able to write and develop sufficient content on all the provinces regarding the meetings and incentives capabilities such as venues, experiences, infrastructure etc. SANCB will provide hi-res images that will be utilized on the brochures for all the provinces. Both the meetings planners and incentive planners will be designed as per the SANCB CI guidelines and the guideline will be provided to the service provider.
