RESPONSE TO ENQUIRES

BID NO: SAT TENDER 256/24 – RE-ISSUE

DESCRIPTION: - STRATEGIC PLATFORMS REVIEW STUDY

#	CLARIFICATION
1.	This clarification aims to rectify the minimum threshold required from phase 2A to qualify for phase 2B to be 70%. The document currently reads as follows “Criterion 9: Bidders will be required to do a presentation. Only those bidders who score an overall score of <u>60% or more</u>, on the other <u>6 criteria</u> will qualify to present to the Bid Evaluation Committee.” The correct wording should read as follows: “Criterion 9: Bidders will be required to do a presentation. Only those bidders who score an overall score of <u>70% or more</u>, on the other <u>8 criteria</u> will qualify to present to the Bid Evaluation Committee.
2.	This tender was issued at the beginning of this year and there were no submissions received on the closing date and time, and therefore it is re-issued now,
