7. BACKGROUND AND SCOPE OF WORK

The Insights Team, within the Analytics and Insight (AI) Unit of SAT, is mandated to provide strategic intelligence and insights to support the organization's planning, positioning, and marketing initiatives. This includes adopting a proactive and forward-looking approach to the identification and analysis of information that informs decision-making.

The tourism sector operates within a highly dynamic and competitive environment, characterized by rapidly evolving consumer preferences, technological advancements, and shifting global travel patterns. In this context, the organization requires reliable, up-to-date, and relevant insights to ensure that its strategies and marketing activities remain responsive, targeted, and effective.

The organization is interested in platforms that have the ability to systematically identify, analyses, and monitor emerging consumer trends. This has enabled the organization to have a centralized and comprehensive trend intelligence capability, the ability to anticipate market developments globally, respond proactively to changes in consumer behavior, and leverage new opportunities within the tourism sector.

Accordingly, the organization intends to appoint a suitably qualified and experienced service provider to supply a trend search platform. The platform must enable continuous identification, tracking, and analysis of global and local consumer trends, and support the generation of actionable insights to inform strategic planning and decision-making processes.

The proposed solution is expected to continue to strengthen the organization's capacity to develop evidence-based strategies and marketing interventions aimed at driving sustainable growth and competitiveness within the tourism sector.

8.1. Scope of work

The Analytics and Insights unit is responsible for internal and external reporting, with report content often repurposed to extend insights to broader audiences. The organization seeks a suitably qualified service provider to supply a trend search platform that enables the identification, analysis, and application of emerging consumer trends to inform strategic planning and marketing in the tourism sector. The services must cater for the following:

- The platform must be proprietary, market-ready, offering comprehensive, regularly updated global trend information with curated insights, case studies, and innovation examples.
- The platform must have at least five (5) secure user logins, provide an interactive dashboard, and allow users to search, filter, and download trend reports and presentations in PowerPoint format or similar, including visuals.
- The provider must deliver six (6) customized annual trend reports, assign a dedicated consultant for advisory support, and provide onboarding, training, and ongoing support for the duration of the contract, with regular engagement to ensure alignment with organizational objectives and maximize the use of insights across internal and external audiences.

All output must be delivered in a format that is intuitive, readily accessible, and does not require any special software, or additional resources beyond the specifications outlined in this Request for Quotations. The bidder must be able to render the services for a period of three years.

8.1.1 What is needed?

The organization is seeking to appoint a suitably qualified service provider to supply and support a trendy search platform on a subscription basis for a period of 3 years. The platform will be used to identify, analyses, and monitor emerging consumer trends to inform strategic and marketing initiatives within the tourism sector:

The service provider must meet the following minimum requirements:

Platform Provision

- The service provider must provide a proprietary, fully developed trend search platform owned and maintained by the supplier.

SOUTH AFRICAN TOURISM

- The platform must be an existing, market-ready solution, accessible on a subscription basis (if not already considered).
- The platform should provide access to global trend information, including curated insights across multiple sectors.

User Access

- The system must support multiple user access, with a minimum of five (5) standard user licenses.
- User access must be secure, with individual login credentials and appropriate access controls.

Functionality and Features

- The platform must include an interactive dashboard that enables users to:
- Search and filter trends based on categories, industries, and keywords
- Access regularly updated trend content and insights
- Download trend reports and presentations in PowerPoint format or similar, including relevant visuals and images
- The system should enable users to easily interpret and apply trend insights for strategic and marketing purposes.

Reporting and Advisory Support

- The service provider must include provision for a minimum of six (6) customized trend reports per annum, tailored to the organization's needs and focus areas.
- A dedicated consultant or account manager must be assigned to the organization to:
 - Provide guidance on trend interpretation
 - Support the application of insights to strategy and marketing initiatives
 - Engage with the organization on an ongoing basis as required

The bidder will be required to do a live demo of the system as part of the evaluation process.

8.1.1. Cost Structure:

- Be advised to submit a detailed financial proposal with a cost breakdown for each year of the assignment based on resources and or time allocated to the project
- SA Tourism reserves the right to request additional information or clarity on cost proposals prior to the evaluation thereof

PERFORMANCE INDICATORS	VALUE ALLOCATED
1. Custom Reports for work previously conducted The bidder must provide sample reports demonstrating the work they have conducted for other clients. These samples will enable the evaluation of the bidder's ability to deliver customized trend reports and provide verification of the quality, relevance, and applicability of the work completed. The submitted examples should clearly illustrate the bidder's capacity to analyze emerging trends, generate actionable insights, and present findings in formats suitable for strategic planning and decision-making. Scoring: Score of 3: Bidder provided at least 3 sample reports demonstrating the work they have conducted for other clients Score of 2: Bidder provided 2 sample reports demonstrating the work they have conducted for other clients Score of 1: Bidder provided 1 sample report demonstrating the work they have conducted for other clients Bidders who do not submit any sample reports or irrelevant reports will be scored a 0	35
2. System Demonstration (Based on Live system demonstration) The bidder must provide a live demonstration of the platform. The demo must clearly show: - Ability to search and filter trends - Dashboard usability and interactivity - Downloading trend reports and presentations (PowerPoint format, including visuals) - Multi-user login functionality - Custom reporting capabilities Failure to demonstrate these functionalities will disqualify the bid, AN NB: Bidders will be invited for a virtual presentation and demonstration post the closing date of this RFQ. Scoring: Score of 3: Bidder's demonstration covered all 5 of the above elements Score of 0: Bidders failed to cover all 5 of the elements above	35
3. Local Relevance / Customization (Based on Live system demonstration) The platform's ability to provide insights relevant to South African tourism and consumer trends, with local examples where possible. Score of 3: Bidders demonstrated the exceptional ability to provide insights relevant to South African tourism and consumer trends, and also provided local examples. Exceptional demonstration by the supplier of the relevant ability, understanding, experience, skills, resources, and quality measures required to provide the goods/services. Response identifies factors that will offer potential value, with supporting evidence. Score of 2: Bidders showed some ability to provide insights relevant to South African tourism and consumer trends, and also provided some local examples. The bidder satisfies the requirement with minor additional benefits, above-average demonstration by the supplier of the relevant ability, understanding, experience, skills, resources, and quality measures required to provide the goods/services. Response identifies factors that will offer potential required services, with supporting evidence.	30

Score of 1: Bidder has some ability to provide insights relevant to South African tourism and consumer trends, but has no local examples. Submission meets the minimum requirement with major reservations. Relevant ability, understanding, experience, skills, resources, and quality measures required to provide the goods/services, with little or no supporting evidence. Score of 0: Bidder failed to demonstrate the ability to provide insights relevant to South African tourism and consumer trends, and also provided no local examples.

4. POINTS AWARDED FOR SPECIFIC GOALS

- 4.1. In terms of Regulation 4(2); 5(2); 6(2) and 7(2) of the Preferential Procurement Regulations, preference points must be awarded for specific goals stated in the tender. For the purposes of this tender the tenderer will be allocated points based on the goals stated in table 1 below as may be supported by proof/ documentation stated in the conditions of this tender:
- 4.2. In cases where organs of state intend to use Regulation 3(2) of the Regulations, which states that, if it is unclear whether the 80/20 or 90/10 preference point system applies, an organ of state must, in the tender documents, stipulate in the case of—
- (a) an invitation for tender for income-generating contracts, that either the 80/20 or 90/10 preference point system will apply and that the highest acceptable tender will be used to determine the applicable preference point system; or
 - (b) any other invitation for tender, that either the 80/20 or 90/10 preference point system will apply and that the lowest acceptable tender will be used to determine the applicable preference point system, then the organ of state must indicate the points allocated for specific goals for both the 90/10 and 80/20 preference point system.

Table 1: Specific goals for the tender and points claimed are indicated per the table below.

(Note to organs of state: Where either the 90/10 or 80/20 preference point system is applicable, corresponding points must also be indicated as such.)
