1. BACKGROUND

South African Tourism is a Schedule 3A Public Entity established in terms of the Tourism Act and mandated to market South Africa as a preferred tourism destination domestically and internationally.

South African Tourism is seeking to appoint a suitably qualified and experienced independent technical accounting expert to provide independent review services as well as a technical accounting opinion.

The South African Tourism received a qualification for the financial year ending 31 March 2026. The external auditors opinion cited a qualification on the accumulated surplus in the statement of changes in net assets and the disclosure of prior period errors.

The organisation requires an independent assessment of the appropriate accounting treatment and disclosure for these items as well as the cash flow statement. The objective is to obtain a clear, technically robust conclusion that is supported by the applicable financial reporting framework, GRAP, and suitable for consideration by management, governance structures, and the external auditors.

2. DETAILED SCOPE OF WORK:

The appointed service provider will be expected to:

1. Review the relevant sections of the annual financial statements, supporting schedules, management papers, accounting records, and other documentation supplied by the organisation.
